Yes, as a matter of fact, I noticed Quala Systems had submitted a separate signature page and was going to ask about that. As far as I could tell, Bonni Kaufman did not ask that Quala Systems, Inc. be a separate settling party.

Also, the company whose name appears as KAO Brands Company submitted a signature page that reads Kao USA, Inc. ???

Sarah, Rob just sent you the figure but I have one more issue. Apparently the way they are listed in the revised attachment is not correct and they had also provided a request that Quala be included. I believe I forwarded you their counsel (Bonni Kaufman's) explanation regarding Quala.

I'm trying to work out the exact language. Give me just a couple minutes. Sorry!

Sorry, one other housekeeping issue. The flow chart that is Figure 2 to the SOW has a change that EPA pointed out in May and the CPG agreed to make. We can't make the change so we added a comment in a text box, but we would like the CPG to provide a corrected figure for the final package. If you can't do that today, let me know but it is my preference to have the documents in final form when the AOC is signed.

Thanks!

Karyllan,

Thanks for realphabetizing Appendix A. I had done the same thing, but also changed the name of Quality Carriers, Inc. to use the formulation requested by Bonni Kaufman. I'm going to use this one unless you object.

I think we now need to go back and amend the list of Settling Parties on the RI/FS AOC, but we can worry about that next week.
